ORDER

ROBERT W. LEHRBURGER, United States Magistrate Judge.

The Court is in receipt of Plaintiff's letter regarding coordination of discovery in this action and the state action. The request for conference is denied without prejudice. Plaintiff first needs to comply with this Court's rules for discovery correspondence, including the obligation to meet and confer. So as to make the best use of the Courts' time, the Court directs the parties to discuss the issues and present a proposal for both Courts to consider.

SO ORDERED.

A handwritten signature in black ink, appearing to be "RWL".
